

Leica DISTO™ A5

The most versatile

Optimum functionality - with ergonomic design

The Leica DISTO™ A5 stands out thanks to both its ergonomic design and the soft rubber grip that allows it to sit well in the hand. With its unique end piece, wide range of additional functions and integrated view finder, the Leica DISTO™ A5 is fully equipped to tackle any measuring task. The most common calculating functions are of course quickly and easily accessed via the corresponding shortcut keys.

Indoors or outdoors - The Leica DISTO™ A5 is your ever-reliable partner.

Ergonomic Design with soft rubber grip

Fits perfectly in the hand, with soft rubber grip to ensure a firm hold.

Robust enough for outdoor use.

The integrated optical viewfinder simplifies targeting over long distances.

Multi-function flip-out end piece

The built in sensor automatically determines the correct zero point for the measurements.

Features

- Measuring Range of .16' to 650' (± 0.06 in)
- Power Range Technology™
- Ergonomic design with soft rubber grip
- Integrated viewfinder with 2x magnification
- Room Calculations
- Indirect height/width measurement
- Shortcut Keys
- IP54 Environment Standard

Your Advantages

- Fast and accurate measurement of short and long distances
- Allows measuring of long distances (approximately 300 ft) without target plate
- Instrument fits well in the hand
- Ideal for measurements of longer distances
- Maximum results with minimum effort, no more manual calculations
- Measurement of inaccessible locations
- Extra-simple operation
- Splash and dust proof - important on construction sites

What comes in the Box:

Leica DISTO™ A5, Holster, Hand Loop, Batteries (2 AA 1.5v), Manual, safety Instructions, producer certificate.

| Technical Data | Leica DISTO A5 |
|---------------------------------------|--|
| Typical Measuring Accuracy | ± .06 inches |
| Range | 0.16 ft - 650 ft |
| Power Range Technology™ | Yes |
| Distance | 33 ft, 167 ft, 328 ft |
| Diameter of Laser Dot | 0.2", 1.8", 2.36" |
| Minimum/Maximum Measurements | Yes |
| Continuous Measurements | Yes |
| Addition/Subtraction | Yes |
| Area/Volume Measurements | Yes |
| Room Calculations | Yes |
| Indirect Measurements with Pythagoras | Yes |
| 2x Optical Telescope Built in | Yes |
| Store Constant Values | 1 |
| Recall Last Values | 20 |
| Time Delay Measurements | Yes |
| Display illumination | Yes |
| Measuring Units | 0.000 m, 0.00 m, 0 mm, 0.00 ft, 0' 00" 1/32. 0.00 1/32 ft. In., 0.0 in, 0 1/32 in |
| Measurements Per set of Batteries | Up to 15,000 |
| Multifunctional end piece | Yes |
| Built in Bubble level | Yes |
| Tripod Thread | Yes |
| Batteries | Typically AA 2 x1.5v |
| Spray proof/dust protected IP 54 | Yes |
| Dimensions | 5.82" x 2.52" x 1.42" |
| Weight with batteries | 8.50 oz |

Warranty 24 months as of the date of purchase. Extended warranty 36 months on instrument after being registered with Leica Geosystems within eight (8) weeks of purchase.
